

# How to Share Your Data with Energy Solutions, Implementers of the PG&E ADR Program

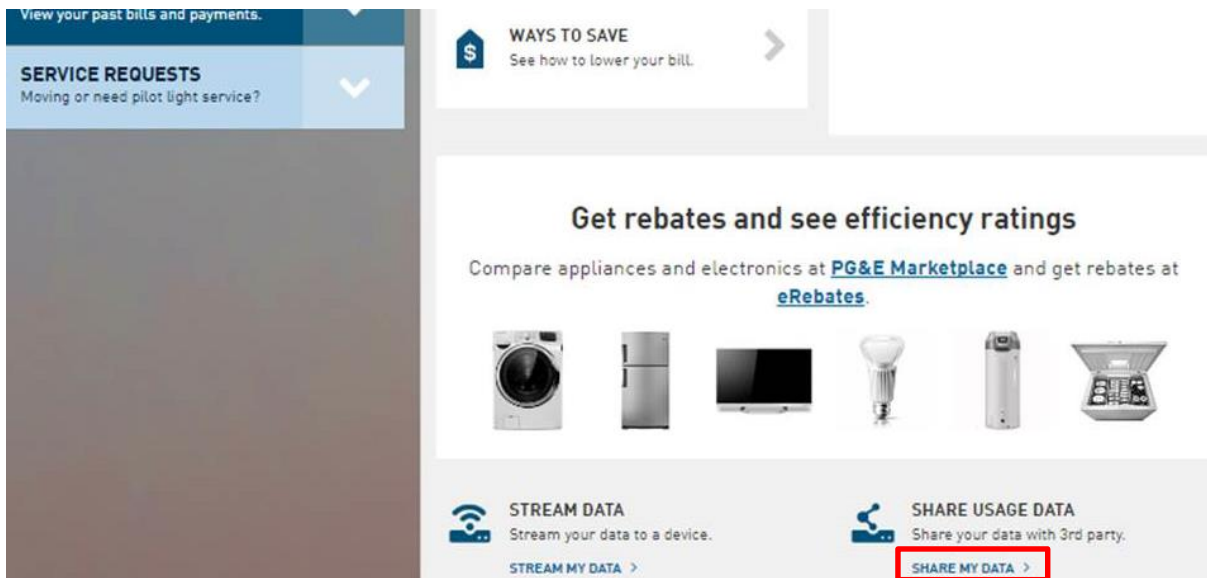

The Share My Data tool, offered by PG&E, allows customers to authorize certain registered companies to access and use their PG&E energy usage data. For the [PG&E ADR Program](#) to calculate potential ADR incentives and provide DR event performance reports, you will need to share your data using the [Share My Data](#) tool. The following instructions describe how to use this tool to share your data securely.

## Get to Share My Data

---

1. Go to [www.pge.com](http://www.pge.com) and log in using your username and password to get to your account dashboard.

2. From the My Energy Account Dashboard you can access Share My Data by clicking the **Share My Data** link in the **Share Usage Data** section at the bottom of the page.

After selecting Share My Data, the link will take you to the welcome screen for Share My Data, where you can start to customize the details of what data you want to share.

3. Under the “Add New Authorization” section, type “**Energy Solutions**” into the text box or scroll down to “Energy Solutions” in the drop down menu of companies. \*Select carefully as many companies have similar names. You are looking for “Energy Solutions” and NOT “Your Energy Solutions”, “Energia Solutions”, or “Energy Solutions LLC.”

## Welcome

Here you can authorize a company access to your data.

**Please note:** PG&E has not conducted security reviews on the companies listed. Please be sure to read the designated company's Terms & Conditions prior to authorizing access to your data.

## Add New Authorization

Select Company:  ?

- Energia Solutions, LLC
- Energy Connect, Inc.
- Energy Hippo
- Energy Solutions**
- EnergyAi
- Energyworx
- Ennalta LLC

Next

Once you have selected “Energy Solutions”, you’ll be taken to the Authorize Access screen to select what account details to share.

Note: This allows Energy Solutions to link your service account ID to your energy usage data. We do not have the ability to edit your billing information.

# Authorize Access

4) Quick Authorization - If you would like to quickly and easily release all of your basic, billing, account, and usage information, utilize our **Quick Authorization** feature in the top right of your screen (shown below). Click **Continue** (highlighted in the red box). You can always revoke authorization at any time.

Note: You may also manually select your data sharing options to select particular Service IDs. If you select manually: select boxes Basic, Billing, Usage and Account information, and share "Indefinitely" so that the ADR Program can analyze and report to you on your DR Participation throughout the 3-year participation period. (underlined in blue.)

### Share My Data Authorization and Agreement

\*Indicates required field

**Note: This is a legally-binding agreement. Please read carefully.**

The purpose of this form is to allow you to exercise your right to choose whether to disclose your personal electricity and gas usage data, basic customer information, billing information and monthly billing dates, and account information to a third party. Once you authorize a third party to access your personal information, you are responsible for ensuring that the third party safeguards the personal information from further disclosure without your consent. By checking the box below, you agree that you have read, understood and authorize PG&E to release the requested information on your account(s) to the designated Third Party, and you hereby release, hold harmless and indemnify PG&E from any liability, claims, demands, causes of action, damages or expenses resulting from:

1. Any release of information to your designated Third Party pursuant to this Authorization and Agreement
2. The unauthorized use of this information by the designated Third Party
3. Any actions taken by the Third Party pursuant to this Authorization and Agreement

You also understand that you may cancel this authorization at any time by returning to My Energy. Finally, you consent to receive transactional emails regarding this authorization.

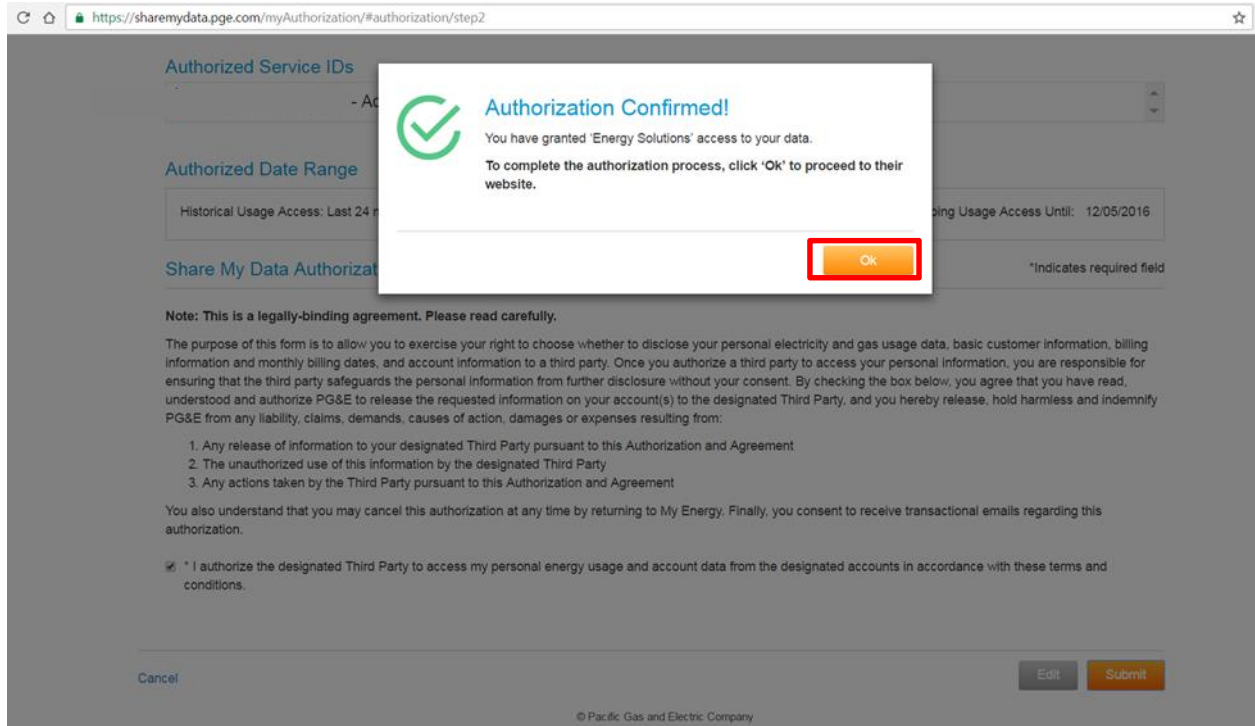

I authorize the designated Third Party to access my personal energy usage and account data from the designated accounts in accordance with these terms and conditions.

Submit

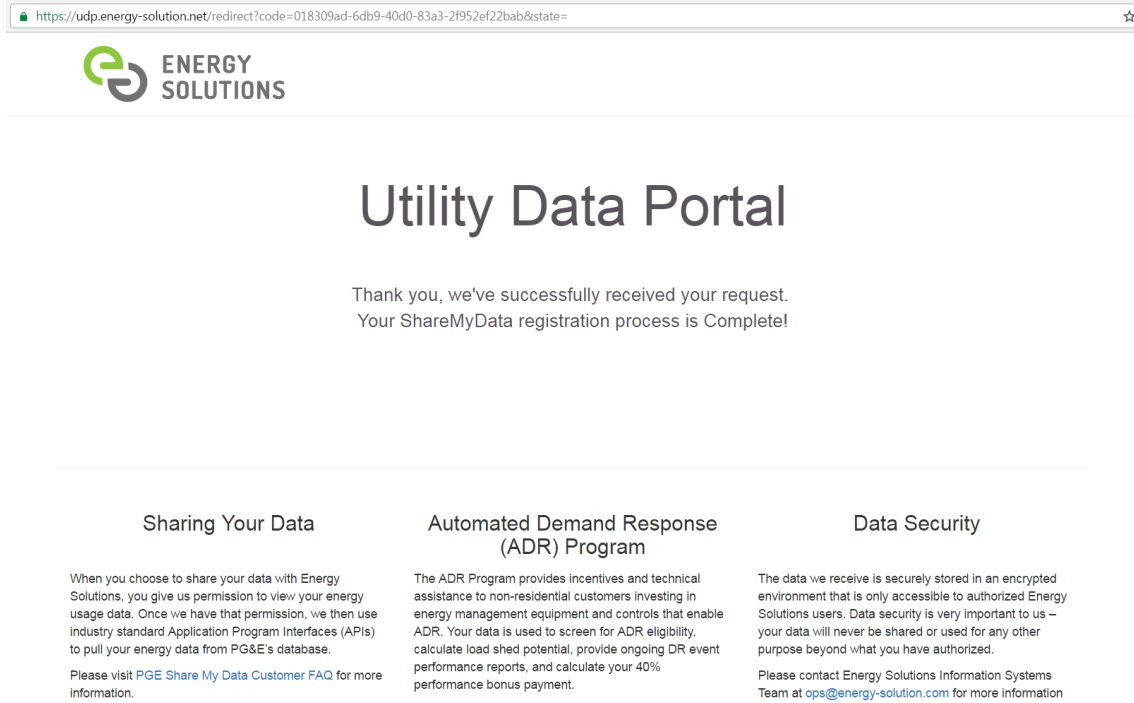

6) After clicking **Submit**, the following “Authorization Confirmed” screen will appear. (shown below). Click **OK**.

7) After clicking **OK**, you will be directed to Energy Solutions’ Data Utility Portal. Click **Confirm Data Sharing**.

8) After this confirmation, you will see the following screen indicating a complete Share My Data registration.

The screenshot shows a web browser address bar with the URL: <https://udp.energy-solution.net/redirect?code=018309ad-6db9-40d0-83a3-2f952ef22bab&state=>. Below the address bar is the Energy Solutions logo, which consists of a green stylized 'e' icon followed by the text 'ENERGY SOLUTIONS'. The main heading is 'Utility Data Portal'. Below the heading, a message reads: 'Thank you, we've successfully received your request. Your ShareMyData registration process is Complete!'. The page is divided into three columns with the following content:

Sharing Your Data	Automated Demand Response (ADR) Program	Data Security
<p>When you choose to share your data with Energy Solutions, you give us permission to view your energy usage data. Once we have that permission, we then use industry standard Application Program Interfaces (APIs) to pull your energy data from PG&amp;E's database.</p> <p>Please visit <a href="#">PGE Share My Data Customer FAQ</a> for more information.</p>	<p>The ADR Program provides incentives and technical assistance to non-residential customers investing in energy management equipment and controls that enable ADR. Your data is used to screen for ADR eligibility, calculate load shed potential, provide ongoing DR event performance reports, and calculate your 40% performance bonus payment.</p>	<p>The data we receive is securely stored in an encrypted environment that is only accessible to authorized Energy Solutions users. Data security is very important to us – your data will never be shared or used for any other purpose beyond what you have authorized.</p> <p>Please contact Energy Solutions Information Systems Team at <a href="mailto:ops@energy-solution.com">ops@energy-solution.com</a> for more information</p>

After the registration is complete, you will receive an email from the Share My Data team confirming your authorization. This concludes the 2<sup>nd</sup> section (2 of 2) of the authorization process.

At this point the authorization is complete. If you do not see this confirmation screen and receive the email, please contact us for support:
