

PG&E Automated Demand Response Program 2012-2014

Rebate Recipient Certification Form

In accordance with Public Utilities Code Section 399.4 (b) (1), recipients of the rebate must certify that they have used a licensed contractor, as appropriate, and have complied with applicable permitting requirements for the installation to receive a rebate or incentive (money, products or services) from PG&E.

Instructions:

This form is to be filled out by the **recipient of the rebate** and returned to the Project Office Implementation Manager along with the project invoices **after installation of the project**.

1. **Project Application No:** _____

2. **Certification of compliance:**

By signing below, I certify that the improvement or installation complies with any applicable permitting requirements and, if a contractor performed the installation or improvement, that the contractor holds the appropriate license for the work performed.

Signature _____

Date _____

Name (Print) _____

Note: The PG&E Customer must sign this section before an incentive check is issued to the Customer. If the incentive check is issued to the Third Party Implementer or the Project Sponsor, the Third Party Implementer or the Project Sponsor must provide this certification.

3. **Return to:**
